# MICHAEL PAOURIS TRIO

*"Jazz & Classical"*

***Michael Paouris presents the other side of the most admired and beloved instrument in Greece.***

***Al Di Meola: "Michael Paouris is a Humble Genius!", "He has amazing instincts! He reminds me of our trio with John McLaughlin and Paco De Lucia.", "Michael Paouris is the Fastest Bouzouki player on the planet Earth!"***

***Mikis Theodorakis: "Michael Paouris is a Phenomenon!"***

***Dionysis Savvopoulos: "Paouris is a man whose own self is not enough for him! He is chasing a self whose is always ahead of him!"***

A unique show that was admired more than any other by the audience of Greece but also by the biggest festivals and music scenes of the world. A Jazz note of Greek Music that gives a new dimension to our listening so far.

The internationally renowned Bouzouki soloist and composer Michael Paouris, along with great, talented musicians, present improvisations, covers and original compositions as well as parts of the composer's discography.

The cheerful rhythms of the pieces will bring us closer to the jazz of New York, in combination with the Greek folk color, swing of France and Vienna's classical atmosphere.

Michael Paouris "The fastest Bouzouki player in the world" as Al Di Meola said, will give us a unique experience on stage, not only by keeping the instrument that made him stand out but his unique playing on the guitar as well.

Virtuosity at the highest level, musicality in absolute quality and warm and true emotions that every spectator will feel while listening to the Trio.

Paouris' compositions and some of Django Reinhardt, Mozart, Theodorakis, Hadjidakis are some pieces that will be presented on this explosive night of virtuosity and nostalgia.
